- 2.5. In addition, Bidder shall submit additional proof such as manufacturing reports, supply reports, documentation and all other additional proof such as clients' reference letters and other relevant documentation that will prove that the Bidder meets all of the requirements outlined in section 1 above.
- 2.6. Notwithstanding the aforesaid, ISR reserves its right, at its sole discretion, not to disqualify proposals which do not contain all the documents and certificates necessary to prove its compliance with the Pre-requisites.

- 2.7. ISR shall have the right, at its sole discretion, to request from any of the Bidders, details and/or approvals and/or tests and/or recommendations and/or certificates and/or additional documentation, required in order to allow ISR a full and complete review of the aforementioned. For the avoidance of any doubt, it is hereby clarified that ISR is not committed to approach any of the Bidders in request for clarifications.
- 2.8. Bidder shall undertake to maintain its compliance with the Pre-requisites specified in Section 1 above at all times, up to and including the Proposal Validity Period as set forth in Section 10 below.

Note: For the avoidance of doubt, continued participation in the Tender shall be subject to full compliance with all mandatory requirements (marked with # in the Data sheets) specified in the Data sheet applicable to the relevant type of Forklift truck or Reachstacker.

2.9. **Technical Requirements**

The proposed Forklifts and Reachstackers shall comply with the requirements and terms included in the Technical Specifications (M-05-566, M-05-567, M-05-568) attached hereto as **Appendix A1, Appendix A2, Appendix A3** (the “**Technical Specifications**”). Further to the aforementioned, ISR shall have the right to accept slight deviations from certain requirements in the Technical Specification, at ISR’s sole discretion. Furthermore, the Bidder shall attach to his offer the complete **Appendix A1-1 Data Sheets, Appendix A2- 1 Data Sheet, Appendix A3- 1 Data Sheet.**

3. **Governing Agreement**

The manufacture and the supply of the **Forklifts** and the **Reachstackers** including but not limited to, the price, terms of payment, scope of liability, responsibility and all other general and legal terms for the engagement with the winning bidder (the “**Supplier**”), shall be governed by the terms and conditions of the framework agreement attached hereto as **Appendix C** (the “**Agreement**”). The Agreement and the Appendices attached thereto constitute an inseparable part of this Tender.

4. **Purchase Order**

The Agreement will be exercised through Purchase Orders, in accordance with the Terms and the Conditions specified in the Agreement.

Additionally, during the Agreement Period, and /or Additional Period, ISR, in its sole discretion, shall have the option (but shall not be obligated) to purchase from the Winning Bidder additional Forklifts (the “**Optional Forklifts**”) and Reachstackers (the “**Optional Reachstackers**”). The relevant terms and conditions detailed in this Tender, including its Appendices, shall apply, *mutatis mutandis*, to the Optional Forklifts and Optional Reachstackers.

5. **Warranty**

The Bidder shall provide a three (3) years Warranty Period and two (2) additional years as an optional Warranty Period (“**Warranty Period**”) for each of the Forklifts and of the Reachstackers

as set forth in ***Appendices A1-2, A2-2, A3-2 General Requirements*** and ***Appendix C-*** Agreement.

6. **Delivery Terms**

The terms of supply and delivery of the Forklifts and of the Reachstackers shall be in accordance with the terms and the conditions specified in the Agreement.

7. **Time of Delivery**

The delivery time for the manufacture and supply of the Forklifts and of the Reachstackers shall be in accordance with the Terms and the Conditions specified in the ***Appendix C-*** Agreement.

8. **Evaluation process and selection of Winning Proposal**

The evaluation of the Proposals submitted by Bidders shall be conducted by ISR in accordance with the following process:

For the avoidance of doubt, it is hereby clarified that the Minimum Passing score for Quality and technical Compliance, and service Evaluation shall be seventy-five (75) points out of one hundred (100) points.

- 8.6. **Stage C-Commercial Evaluation** – After completion of the evaluation and scoring of the Technical Proposals for each Type of Forklift Truck and Reachstackers, ISR shall open for each Type the Commercial Proposals of the Bidders. The Commercial Proposals will be evaluated and calculated as further specified in Sections 8.6.1 and **Appendices- B1, B2 and B3**.

8.6.1. **The Commercial Evaluation**

ISR shall evaluate the Commercial Proposals of the Bidders as follows:

100% - Total price: The score will be based on the total price **for**

- Type 1 - Forklift truck One (1) unit, with an option for one (1) additional unit, including a four (4) yearly warranty and maintenance.
- Type 2 Forklift trucks Two (2) units, with an option for two (2) additional units, including an eight (8) yearly warranty and maintenance.
- Type 3 Reachstackers Two (2) units, with an option for two (2) additional units, including an eight (8) yearly warranty and maintenance.

As specified in section 1 in the Commercial form **Appendices B1,B2 and B3** including delivery to **ISR** in accordance with the terms of the Agreement **Appendix C**.

The lowest priced proposal shall receive the maximum score, and all other proposals shall be graded proportionally.

ISR reserves its right, at its sole discretion to inform Bidders, prior to the commercial evaluation whether the prices of any of the optional auxiliary features and equipment provided in the commercial Proposal Form (**Appendix B1, B2, B3**) Section No' 2.3 shall be taken into consideration in calculating the above at least **32 ton Forklifts truck (type 1)**, at least **38 ton Forklifts truck (type 2)** and **Reachstacker (type 3)** total prices.

- 8.7. **Stage D - Final Evaluation and Selection**- ISR shall select the Winning Proposal for each of Forklift Truck and Reachstacker Type, after determination of the Proposals receiving the highest Final Score (FS) pursuant to the following formula:

$$FS(1/2/3) = QTS(G1/G2/G3) * 30\% + SS * 10\% + CPS(B1/ B2 / B3) * 60\%$$

Where :

FS – Bidder's Final Score;

QTS – Bidder's Quality and Technical Proposal Score;

SS - Bidder's Service Score

CPS – Bidder's Commercial Proposal Score

9.2. **Submission of Proposals**

All proposals must be submitted to the Electronic Tender Box of Israel Railways at the Sourcingvision system, starting **April 21, 2026, 08:00 (Israel Time) until April 23, 2026, 23:59 (Israel time) ("Final Submission Date")**. After this deadline, it will not be possible to submit Proposals to the Electronic Tender Box

- 9.2.1. It is emphasized that only Proposals submitted to the Electronic Tender Box by the Final Submission Date will be reviewed by the Tender Committee. Proposals not submitted to the Electronic Tender Box by this deadline will not be reviewed and will be considered invalid. For the avoidance of any doubt, it is hereby clarified that the Final Submission Date, as specified above, refers to the last date for submitting the Proposal in the Electronic Tender Box of ISR in the Sourcingvision system.
- 9.2.2. Accordingly, Bidders are advised to enter the electronic system in advance and perform all necessary preparations to ensure that the Proposals are submitted on time and to avoid delays due to various technical issues.
- 9.2.3. It is emphasized that ISR and/or Mashik and/or their representatives shall not be responsible in any way for the proper functioning of the phone and/or internet network and shall not bear any responsibility for interruptions and/or disturbances and/or disconnections that prevent any Bidder from submitting their proposals on time to the Electronic Tender Box. The bidder hereby declares that their participation in the Tender is subject to the availability and proper functioning of the internet network and that they shall not raise any claim, lawsuit, or demand against ISR and/or Mashik and/or their representatives due to any mistake, malfunction, delay, technical failure, or any other reason that prevented them from submitting their Proposal on time.
- 9.2.4. The clock of the Electronic Tender Box is the official clock for the submission deadlines in this Tender.
- 9.2.5. The Proposal shall be submitted by a single Bidder. Proposals submitted by more than one Bidder will be disqualified.
- 9.2.6. Each Bidder shall be allowed to submit only one Proposal for each type of Forklift. Submission of more than one Proposal by the same Bidder, including by a related company of the said Bidder, shall disqualify the Bidder.
- 9.2.7. The Bidder is requested to read carefully all the Tender Documents attached herein and submit all documents signed, where applicable, by the authorized signatory bodies.
- 9.2.8. The Bidder must scan the forms attached as Appendices, which have been filled out and signed by him, and upload them to the Electronic Tender Box in the

Sourcingvision system, in the required location for each Appendix or document, by clicking the "Submit Documents" button and in accordance with this section, no later than the Final Submission Date.

- 9.2.9. It is hereby emphasized that it is the Bidder's responsibility to ensure that the forms that were scanned and uploaded to the system are legible and clear.
- 9.2.10. It is recommended that the Bidder shall retain a copy of the Proposal submitted to the Electronic Tender Box.
- 9.2.11. For any technical assistance regarding the use of the Electronic Tender Box system, the Bidder may contact the support representatives of Mashik Ltd. by email at: service@mashiktech.com, or by phone at +972-50-9029376, from Sunday to Thursday between 08:00 and 17:00 Israel Time (excluding holiday eves and holidays).

14. General

- 14.1. A proposal reflecting any reservation regarding the Tender Documents or any part thereof, including the Agreement or the appendices attached thereto, whether by rejection, insertion or amendment to any part of the attached documents, may be disqualified.
- 14.2. ISR shall not be bound to accept the lowest-priced Proposal or any other Proposal whatsoever. In addition, ISR does not commit itself in any way to acquire any Forklifts or to enter into a contractual relationship with any of the Bidders.
- 14.3. ISR shall have the right, at its sole and absolute discretion, to verify the recommendations and other documents provided by the Bidder, and to request from any of the Bidders additional details, approvals, recommendations and/or certificates. In addition, ISR may, at its sole and absolute discretion, upon prior coordination with the Bidder, inspect the facilities of such Bidder at any time or any facilities where components of the Forklifts proposed by the Bidders are being manufactured.
- 14.4. Any of the Forklifts or Reachstacker acquired shall be on a non-exclusive basis and ISR, at its sole discretion, may, at any time, obtain Forklifts from any of the Bidders, and/or may acquire similar or identical Forklifts from any third party.
- 14.5. ISR shall issue Purchase Orders under the Agreement following the receipt and subject to the receipt of the necessary budgetary approvals.
- 14.6. ISR, in its sole discretion, may decide not to select any of the submitted proposals or may decide to cancel the entire Tender at any time.
- 14.7. ISR reserves the right to reject a proposal of a Bidder which does not have the financial strength required for the performance of the Agreement or that its commercial proposal is significantly lower than ISR's estimation.
- 14.8. ISR reserves the right in its sole discretion to negotiate with the selected Bidder.
- 14.9. In addition to any other event which entitles ISR by law to cancel the Tender, ISR reserves the right, at ISR's sole discretion, to cancel this Tender in the following events:
 - 14.9.1. If only one of the Proposals is found suitable, according to the Prerequisites and/or other specification requirements according to these Tender Documents.
 - 14.9.2. If ISR concludes that there was a flaw in the Tender process and/or in the evaluation of the Proposals.
 - 14.9.3. If ISR has found that a critical mistake has been made in the Technical Specifications, inter alia, by giving false data, missing data or incomplete data.
 - 14.9.4. If the circumstances and/or ISR's requirements have been significantly changed, to such extent which requires the cancellation of the Tender.
- 14.10. All documents submitted in this Tender must be in English or Hebrew (including but not limited to all attachments, schedules, annexes, sketches, drawings, diagrams, tables and charts) and any additional information, questions, requests for clarification and interpretation,

or any other communication, must be submitted in writing in English or Hebrew only, unless otherwise specifically stated in the Tender Documents or approved by ISR.

- 14.11. Each Bidder shall solely bear all costs associated with the preparation and submission of its Proposal. This shall include, without limitation, any and all expenses and losses, which may be incurred by the Bidder, consultations with professionals, conducting investigations and inquiries of any kind, preparation of surveys and documents and the authentication and translation thereof and any other aspect in connection with the Proposal. ISR will in no case be responsible or liable for any of the above costs, nor shall it be required, under any circumstances, to reimburse any such costs to any bidder.

15. **Request for clarifications and/or additional information**

- 15.1. Any Bidder may submit to ISR, in writing, inquiries and/or requests for clarification and/or additional information regarding the Tender or relating to the Tender Documents, as specified herein below (a “**Request for Clarification**”).
- 15.2. A Request for Clarification shall clearly specify to which Tender Documents (Agreement, Technical Specification, attachment, section, etc') it refers.
- 15.3. Bidders shall submit Requests for Clarification with respect to any errors, ambiguities, inconsistencies, omissions, erroneous, unclear or imperfect provisions (“**Errors**”) in the Tender Documents. It is clarified that by submitting its Proposal, Bidder irrevocably and unconditionally waives any claim, demand or legal or administrative proceeding alleging or claiming that the selection process in the Tender has been influenced or biased by an Error and/or that Bidder has suffered any damages as a result of such Error.
- 15.4. All **Requests for Clarification** must be submitted by the Electronic Tender Box of Israel Railways in the Sourcingvision system only **no later than 23:59 on February 26, 2026 (Israel time)**. After this deadline, it will not be possible to submit Request for Clarifications to the Electronic Tender Box. Bidders shall be responsible for verifying receipt by ISR of Requests for Clarification by e-mail to: Izika@rail.co.il.

16. **Amendment of Tender Documents**

At any time prior to the Final Submission Date, ISR may amend the Tender Documents by issuing notices to the Bidders. Any notice thus issued, shall be deemed as an integral part of the Tender Documents, and shall be communicated in writing. Each Bidder shall promptly acknowledge receipt of each notice to ISR (however, each notice shall be binding upon each Bidder, regardless of whether the Bidder has acknowledged receipt of such notice(s) or not).

17. **Notices by Bidders**

Each Bidder shall promptly notify ISR in writing of any change with respect to the Bidder and/or the information and/or the representations made by it in connection with this Tender, including all the

warranties and representations set forth in the Agreement, and in particular, any change which affects or might affect its' compliance with the Pre-requisites. ISR shall be entitled to take any action it deems fit in response to such change, and the Bidder shall have no claim in connection therewith.

18. **Notification of the Winning Bidder**

ISR shall send notification of its decision to the Bidder selected as the Winning Bidder and the Standby Bidder for each type of Forklift in the Tender. Notifications shall also be sent to the other Bidders. For the removal of doubt, the aforementioned notification of the winning Proposal shall not constitute the formation of a contract between ISR and such Bidder, and the entering into a binding agreement is conditioned upon the fulfillment of all required terms and conditions as detailed in the Tender Documents and the Agreement.

Confidentiality Undertaking

1. I hereby undertake to keep in strict confidence and to not disclose to any other person or entity, other than those taking part in the execution of the work, any information – administrative, financial or otherwise – that will reach the project manager or anyone on his behalf on the Israel Railway or in respect thereof, throughout the execution of the work, whether directly or indirectly; whether the information has been attained in connection with the execution of the work and whether it was attained regardless of the execution of the work.
2. "Information" in respect of this section – including commercial, financial, technical, business, economic and/or other professional information, data, names, addresses, documents, research, tests, diagrams, reports, balance sheets, account management documents, work methods, client lists, supplier list, details and data pertaining to the quantities and/or qualities and/or prices and/or pricing of manufacturing products, raw materials and/or other products and materials used by the Israel Railway and any other information, whether in writing, oral or in any other manner, in connection with the Israel Railway.
3. Without derogating from the generality of section 1, I hereby undertake to keep in strict confidence and not to disclose to any other person or entity, other than those taking part in the execution of the work subject of the agreement.
4. I hereby undertake not to provide any details on the execution of the work for the Israel Railway, on its contents or its scope, to any person or entity not authorized in advance in writing to receive these details by the Israel Railway CEO.
5. I hereby undertake not to make any use of the Information myself or through others unless it is for the purpose of the execution of the work subject of the agreement.
6. I hereby undertake to strictly protect the Information and to take all of the precautions necessary to prevent it from reaching others including a corporation, and I undertake to limit the access to the Information only to those taking part in the execution of the work.
7. I hereby undertake to bring the contents of this undertaking to the knowledge of any of the people engaged on my behalf in the execution of the work and to have each of them sign a personal undertaking to uphold the undertaking, as specified above.
8. I shall not employ any person in the execution of the work unless they have signed a personal undertaking for confidentiality in the above phrasing.
9. I undertake to notify the Israel Railway immediately on any concern regarding the disclosure of Information and/or a demand for its disclosure. In the event steps are initiated against me which under law will oblige me to disclose the Information, I hereby undertake to notify the Israel Railway of the fact immediately so as to allow the Israel Railway to take all steps necessary to protect the confidentiality of the Information, and in any event I shall not disclose or reveal anything other than the part explicitly required under the law, and after having taken all the measures specified above.

10. I am aware that I may be exposed to information which under law and under the practices in the Israel Railway I am obliged to keep in strict confidence, and that in the event said obligation is breached I shall be exposed to personal claims both on the civil level and on the criminal level.
11. To provide the Israel Railway, immediately upon its first demand, all of the Information collected by me in connection with the Israel Railway, whatever its origin may be, including – but not only, every document, record, disc, copy, photocopy, printout or information kept on magnetic media, and I shall not keep any such Information in my possession. Furthermore, I hereby undertake to take part in any inquiry and/or investigative process conducted by the Israel Railway, regarding the disclosure of Information not permitted by the Israel Railway, anytime and anywhere I will be asked to do so.
12. My undertaking shall continue to apply after the termination of my relationship with the Israel Railway for any reason, and shall remain in effect until the Information becomes public knowledge or until such time the Israel Railway confirms in writing that it does not oppose the dissemination of the Information.
